SKILLS & QUALIFICATIONS

Summarize special skills and qualifications you have acquired from employment, previous volunteer work, or through other activities, including hobbies or sports.

Giving Committee

Committee members educate and encourage the community to support Bethlehem House with monthly and annually recurring gifts. The committee identifies promotional activities and collaborates with the community outreach committee to increase BETHLEHEM HOUSE's donor base for its continued viability.

MOMMs (Mary Our Mother & Model) Mentoring Committee

Committee members serve as loving and supportive long-term mentors to current and former residents of Bethlehem House. MOMMs also organize and host ongoing and monthly activities with their mentees.

Guest Support Committee

The committee works to help new residents feel welcome and at home at Bethlehem House. Committee members assist in bi-monthly deep cleaning of bedrooms, teach residents how to care for a home, prepare welcome packets, and coordinate welcoming and transition-out gatherings/parties.

Event Planning Committee

Committee members identify and assist in planning Bethlehem House sponsored event, including: the annual fall Ball, Beau or Bow cake competition, and the annual Christmas event. Other activity coordination includes Pickles & Ice Cream party planning, Pin It to Your Interest projects, baby showers, gender-reveal cake parties; and our annual graduate BBQ.

Healthy Family Committee

The committee works to address family needs, including: meal planning and preparation; cleaning and organization; and donation and baby boutique management.

Community Outreach Committee

Committee members are provided training and resources to advocate on behalf of Bethlehem House to raise awareness of our mission and services among local parishes, community and civic groups, and businesses.

Men's Guild

Men possess a certain strength that perfectly complements the work of our Belles and youth guild. Much more than heavy lifters, men gift of their time, talents and resources in many ways. And while doing so, they model what healthy communication and hard work looks like. This guild is rooted in service and assists staff and Board members in fulfilling the mission of Bethlehem House

Teen Advisory Board

There is a special place for youth. Whether you're fulfilling service hours or that tug on your heart telling you to "get involved," we need your help. Our youth have the opportunity to develop strong bonds with one another and learn important skills while helping out the moms and babies who rely on their involvement. This advisory board works to connect with metro Omaha high schools and parish youth groups to engage young people in a variety of philanthropic activities to grow the visibility of Bethlehem House in the community.
